Description

The property comprises a modern refurbished detached unit situated in a fenced yard fronting Willow Road and originally constructed in the mid 1990s. The unit is of steel frame construction with brick/block work walls to a height of approximately 7' and new insulated profile steel cladding to the eaves (circa 6m). Glazed entrance doors give access to a small ground floor reception area off which is access to the warehouse/industrial area. Male and female WCs are situated off the lobby. Stairs lead to the first floor office area which is open plan. There is a further WC along with a tea station. Access to the warehouse is gained via a full height loading door in the front elevation from the paved loading forecourt. The unit has the benefit of gas fired heating to the office and lighting throughout. Excellent car parking for circa 20 cars is provided in front and to the side of the unit in the fenced yard. A substantial mezzanine floor has been installed within the warehouse area.
